

LOCAL NON-PROFIT ORGANIZATIONS WITH ON-GOING VOLUNTEER NEEDS

Winyah Community Hospice Care has on-going volunteer opportunities in the Charleston, Dorchester and Berkley county areas. Volunteers are matched up with patients and their families to provide once weekly in-home visits lasting 1-4 hours each to assist the patient in maintaining and improving the quality of life. Anyone interested in this opportunity is asked to contact Sarah Welchel at 843-554-7161 or **swelchel2235@amedisys.com** for more information on the program or to volunteer.
