

JUNIOR LEAGUE OF CHARLESTON

The Junior League of Charleston is an organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers.
Its purpose is exclusively educational and charitable.

Done in a Day Project Proposal

In addition to year-long community partnerships, the Junior League of Charleston (JLC) offers "Done-in-a-Day" (DIAD) partnerships. DIAD supports local nonprofit organizations by providing volunteers on a short-term basis for a one-time event. DIAD affords League members the opportunity to use their diverse talents to combat hunger and homelessness in the Lowcountry through coordinated, direct impact projects.

Projects should require five to 20 volunteers over the course of two to eight hours. DIAD project proposals may request both volunteers and funding (up to \$1,500 per project) or volunteers only. A representative from your organization must be present for all projects at all times, specifically, but not limited to, projects involving children. Organizations may submit multiple applications. If specific dates for a project(s) are unknown, please provide general time frame for the project (i.e. month, Spring 2020, etc.). Requests for DIAD projects should be received by October 16, 2019.

REQUIREMENTS:

1. Requires concentrated volunteer effort of 5-20 volunteers over a 2-8 hour time period
2. The project cannot involve fundraising for the organization
3. Requests may be made for volunteers and funding or for volunteers only
4. Requests for Done-In-A-Day Projects must be received by: **October 16, 2019**
5. One copy of the organization's 501(c)(3) letter
6. Proof of liability insurance

Proposals may be submitted:

- electronically to doneinaday@jlcharleston.org
