One in two families in the United States experience Diaper Need.

These families struggle to maintain a sufficient and consistent supply of diapers to keep their child clean, dry, and healthy.

For countless families in the Lowcountry, having enough diapers is a constant struggle. The Junior League of Charleston Diaper Bank was created in 2017 to fill the gap of this overlooked need in the community. The JLC Diaper Bank collects, packages, and distributes diapers to 12 community partners throughout the Lowcountry. Since its inception in 2017, the JLC Diaper Bank has distributed over 832,000 diapers and served over 17,000 families.
